

TruCLEAN™ Yarn Mop

Economical, lightweight cleanroom mop

22-33
TruCLEAN Yarn Mop

Applications

- Ideal for use in controlled environments or for general housekeeping applications
- Designed for cleaning floors, walls and ceilings
- Compatible with all TruCLEAN Mopping Systems

Description

TruCLEAN Yarn Mop with looped-end construction is manufactured from a specially blended synthetic yarn, it combines high absorbency and strength as well as being inert to bacteria and chemicals. Quickly releases captured dirt when rinsed, is fast drying and won't decay. Extra stitching assures long service, even with repetitive laundering. Will not tangle, catch on fixtures or splash on vertical surfaces. Laundering can be done in a standard washing machine. Dampen prior to autoclaving.

Features

- Mop-to-dry performance on wet surfaces
- Compatible with Gamma, ETO and autoclave sterilization
- Quick changing mop head configuration

Benefits

- 16" (40cm) x 5" (12.7cm) coverage area with a single pass
- Looped-end construction is highly abrasion resistant
- Impervious to a wide range of chemicals
