

Warranty Information

MAPA PROFESSIONAL warrants that MAPA gloves will be free from defects in material and workmanship. This warranty is exclusive and is in lieu of all other warranties expressed, implied or statutory, including but not limited to, any warranty of merchantability or fitness for a particular purpose.

CE IDENTIFICATION

MAPA styles certified for European PPE standards are stamped with CE identification. The CE certification includes packaging information detailing mechanical and chemical resistance properties.

FOOD AND PHARMACEUTICAL COMPLIANCE

Gloves that are made only from materials listed in the U.S. Government Code of Federal Regulations (CFR 21) Parts 170-199 are acceptable for use in both food and pharmaceutical applications. All MAPA gloves, except for Enduro, Fluonit, Fluotex, Harpon 321, Kronit-Proof, Krynit, Krytech, Pylox, Temp-Proof, Temp-Sea, Ugoria and Ultrane, meet this specification.

MAPA gloves accepted by CFIA for use in food applications include StanSolv A-10, A-15, A-30, A-35, AK-22; Classics L-200, L-210; Blue-Grip LL-301; Temp-Tec NL-56, NL-517 and Optinit 472. Certifications of these compliances are available, contact your customer sales representative.
