

HyFlex®

ADVANCED MECHANICAL PROTECTION

11-624

Medium duty cut resistant glove with Dyneema®

Cut

Medium Duty

High flexibility, strong cut resistance

- HyFlex® 11-624 gloves provide comfort and dexterity. Easy to wear during long working hours, they also offer users a “cool feeling” as well as a secure grip on dry to slightly oily pieces for sure handling in a wide range of environments
- The liner is made with a yarn structure containing Dyneema®, the world’s strongest fiber. It therefore offers strong cut resistance for the safe handling and assembly of sharp pieces

Industries

- Automotive
- Machinery and Equipment
- Metal fabrication

Applications

- Handling metal sheets & panels
- Assembly & inspection of components
- Picking, fastening components
- Assembling and mounting components
- Metalwork, glass processing
