

Mid-Capacity Solder Pot w. Ceramic Coated Crucible

Model: 600C

Product Overview

American Beauty solder pots are recognized throughout the industry for **superior performance** and **reliable control** of solder temperature. Customer have used phrases such as; bullet proof and glutton for punishment when describing their American Beauty pots. If your need is a pot that will work day after day, month after month, this is the product for you.

Uses include tinning the ends of stranded wire leads, pre-tinning small electrical parts, re-tinning soldering iron tips and dip soldering small circuit boards. Internal dross is moved to lip where it cinders away. Dross skimmers are safer and more efficient than paddles, spoons and sticks that contaminate solder and lower temperature.

It takes approximately 3 bars of our CS-PBF4 or 8 bars of our CS-PB50-3 to fill our mid-capacity pot.

Features and Benefits

Suitable for Lead-Free Operation. Grey Cast iron crucible is chemically stable and highly resistant to the corrosive nature of lead-free solders.

Wide lipped crucible for easy fixture mounting. Ceramic Coated Crucible for easy cleaning & long service life.

Designed with cartridge heating elements inserted directly into the crucible, creating a superior method of heat application.

Internal removable dross skimmer increases operator safety and maintains solder purity and temperature.

Technical Specifications

Wattage	600 watts
Maximum Temperature	850 °F / 454°C
Temperature Range	350-850 °F / 177-454 °C
Temperature Variation from Set Point	50
Available in a 220-240 VAC?	Yes, available upon request
Net Volume	Between 2-1/2 and 3-1/2 pounds of solder, dependent upon composition.
Solder Bath Depth	1.5 in / 3.81 cm
Product Length	7.5 in / 19.05 cm
Product Width	7.0 in / 17.78 cm
Product Height	5.5 in / 13.97 cm
Product Weight	8.75 lbs / 3.97 kg
Package Dimensions (Inches)	10 x 8 x 6
Package Weight	10 lbs / 4.54 kg
Country of Origin	United States
Cage Code	02105
WEEE Compliant	Yes
Warranty Policy	Details
User Manual	User Manual

Replacement Parts

The following products can be used as replacements for Model 600C featured on this page:

Model	Product Name
602	Replacement Dross Skimmer for 2-½ Pound Solder Pot
8054-6	Replacement Fuses
8055	Replacement Thermostat
9300	Replacement Heating Element for Mid-Capacity Solder Pot
