Latex coating over engineered DURACOIL liner reinforced with HPPE.

[FEATURES

- Multifilament polyester wrapping
- DURACOIL liner reinforced with HPPE
- EN 388:2016 Cut Level C
- ANSI/ISEA 105-16: A3
- Waterproof latex coated palm
- 13-gauge liner
- Unique SHOWA ergonomic shape that replicates the natural curve of the human hand
- Seamless knit
- Breathable open back design

[BENEFITS

- Increased cut resistance performance due to engineered DURACOIL wrapping technology
- Improved grip coating for enhanced performance
- Maximum comfort when performing delicate tasks due to soft and flexible HPPE properties combined with high multifilament wrapping technique
- High level of flexibility and dexterity due to advanced grip technology
- Seamless knit designed to prevent irritation
- Ergonomically designed to replicates the natural curves for enhanced dexterity and longer use
- A flexible, light glove providing effective protection against cuts
- Cost-efficient gloves that can be laundered and re-used
- Multi purpose cut glove at a nominal price

[USER INSTRUCTIONS

Do not use where there are chemical, electrical, thermal or entanglement risks. Wash at 40°C max. Performance levels as per standard EN388 retained after 3 washes, subject to variations linked to actual usage conditions. The performance levels apply to the coated surface only. Store in a dry place, away from the light.
