

GetFit StandUp[®] Mats

Anti-Fatigue Mats • Indoor

GetFit StandUp anti-fatigue desk mats provide workers with a comfortable, healthy alternative to sitting throughout their workday, eliminating the negative effects on the body associated with sitting for long periods of time.

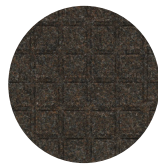

- **Comfortable** – 5/8" nitrile-blended cushion provides excellent anti-fatigue properties and alleviates pain from extended standing
- **Safe** – Beveled edges provide a seamless transition from floor to mat; edges will not crack or curl
- **Stain Resistant** – Recycled PET fabric is eco-friendly and resistant to staining; designer top is resistant to staining
- **Available in 2 surface types** - an environmentally-friendly PET fabric top (made from recycled plastic bottles), or a rubber top for maximum durability. Rubber top is grease/oil resistant*; chemical resistant; welding safe; ESD rating of electrically conductive. *The 100% nitrile rubber surface of GetFit StandUp (rubber top) is grease/oil proof while the nitrile-blended cushion is grease/oil resistant.
