SafePlus™ Maxi System

The safe way to dispense single use microfiber wipes

A Plus in Hygiene is paramount

The CDC estimates 1.7 million patients acquire a hospital acquired infection annually and of those 99,000 die. Large parts of these infections are considered preventable through better infection prevention and thorough cleaning.

To achieve a high level of hygiene, the cleaning and disinfection of surfaces is becoming increasingly important.

That's why Vileda Professional® offers you the most hygienic and safe solution for surface cleaning and disinfection.

The Plus in Hygiene

SafePlus™ Maxi wipes achieve highest level of cleanliness when using a single use microfiber wipe:

- ✓ Quick and hygienic cleaning of all surfaces
- ✓ Effective cleaning of high-risk areas
- ✓ Reduce the risk of cross-contamination

The Plus of Microfiber

SafePlus™ Maxi cleans and disinfects at the same time:

- ✓ 99.99% Bovine Corona virus removal (certified by 3rd party Institute for Hygiene and Microbiology)
- ✓ Single use microfiber wipes display higher performance than common, non-microfiber wipes which easily fall apart in use
- ✓ 99.98 % of bacteria* are removed from surfaces, without disinfectants (certified by 3rd party BMA Labs, Inc.)
- ✓ Just add the cleaning chemical or disinfectant of your choice and bring hygiene to the highest level

The Plus in Functionality

SafePlus™ Maxi Dispenser is one of the safest and most innovative wipe dispenser systems available in the market today:

- ✓ Sealed foil of roll fits perfectly in the dispensers – providing extra safety in preparation, use and storage
- ✓ Easy to use in many areas with different cleaning frequencies and flexible to store

The Plus in Safety

SafePlus™ Maxi Dispenser is one of the safest most innovative wipe dispenser system available in the market today.

- ✓ With an antibacterial self-closing flexible lid – never leave the dispenser open again
- ✓ Certified** antibacterial properties on the flexible lid
- ✓ Flexible lid remains antibacterial even after 80x autoclave cycles**

SafePlus™ Maxi + SafePlus™ Maxi Dispenser
