

Tax-Fre[®] CR Tack Wipe

Nonwoven polyester cleanroom tack cloth

Description

The Tax-Fre nonwoven tack wipe features a pressure sensitive tack formulation that has been specifically engineered to provide excellent contamination removal from surfaces without sticking, grabbing, or transferring tack adhesive to the surface. Very low particle generation. A unique polymer adhesive gives the Tax-Fre wipe a soft, dry feeling, free of tackiness, or stiffness. Ideal for dry floor mopping. Available flat or folded for easier pick up.
