

# Bootie Cabinet

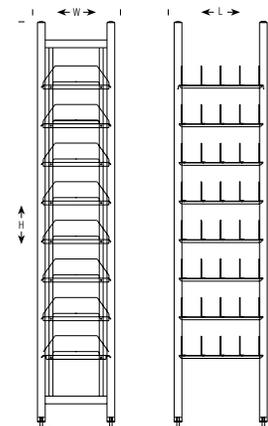

Bootie Racks with Optional Mirrors

Modular bootie cabinet comes in a variety of shelf lengths. Conforms to Garment Rack Design thereby ensuring uniformity of appearance throughout the gownroom. The cabinet can be shipped knock-down and is easy to assemble. Standard features include leveler legs with integral covers and number labeling. This product is symmetric so can be used from either side.

**Mirrors are optional.**

Fabrication material: 304 stainless steel, electropolished.
