

Aloe Sleeper Club Chair

A sleeper chair so intuitive,
everyone can rest easy.

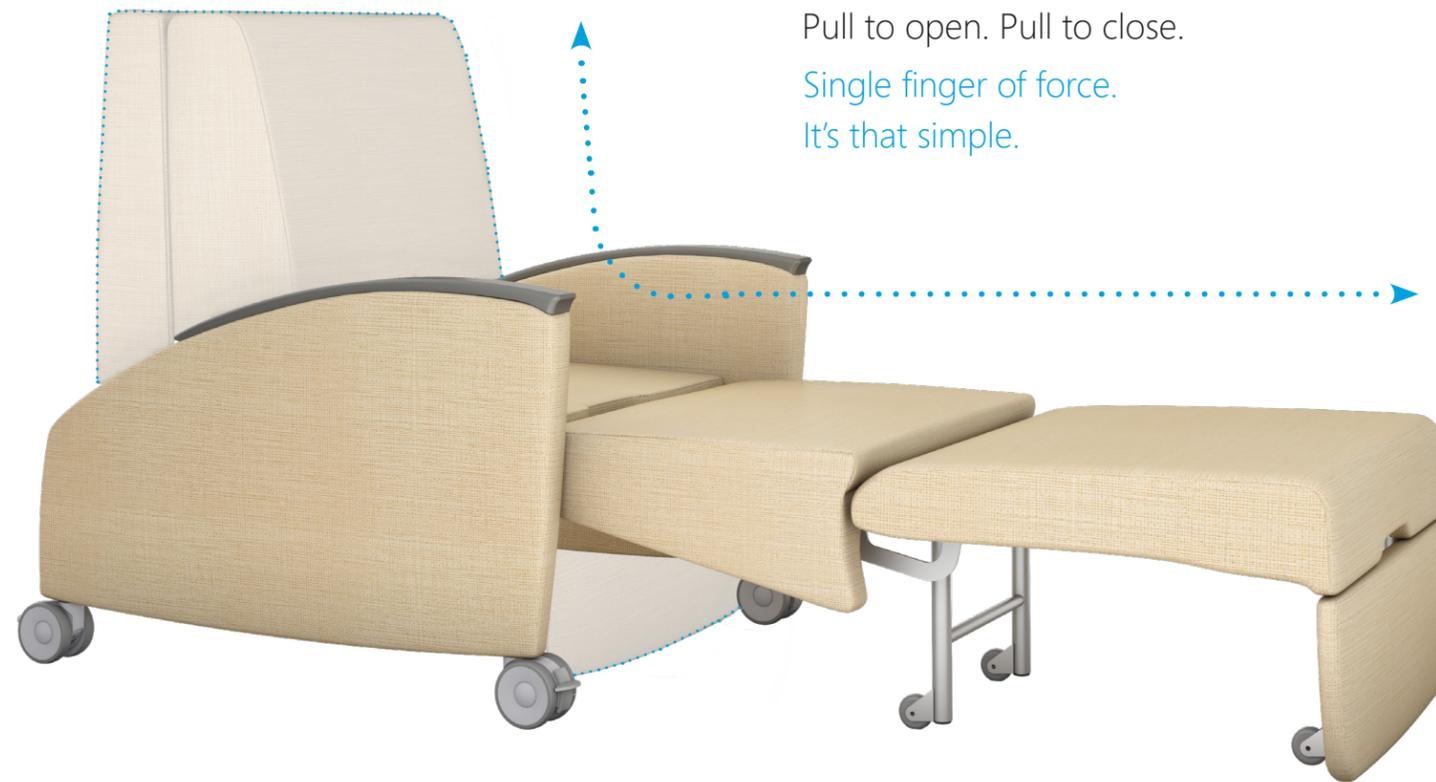

Designed to effortlessly convert into a
chair or bed, Aloe Sleeper Club Chairs
require no instructions to operate and
no staff assistance.

Aloe Sleeper Club Chair, a favorite with healthcare staff.

The Aloe Sleeper Club Chair from healthCentric is specially made to be easy to open and close, leading to reduced employee and patient injuries. A patented minimalist and intuitive design with

stylish arms creates a relaxing and warm healthcare atmosphere while assuring superior durability and reduced maintenance. The Aloe Sleeper Club Chair meets the demands of every healthcare facility.
