

Warranty Information

Torrey Pines Scientific, Inc. warrants this product to be free from defects in material and workmanship for a period of one year from the date of purchase.

If repair or adjustment is necessary and has not been the result of abuse or misuse within the one year period, please return—freight prepaid—and correction of the defect will be made without charge. Out of warranty products will be repaired on a charge basis.

Avoid unnecessary risks by investing in Extended Warranty Protection. The money you save on one unexpected repair can exceed the cost of the warranty itself. Contact Production Automation Corporation at 888-903-0333 if you are interested in purchasing an Extended Warranty.
