

## Warranty Information

OK International warrants their products against any defects in materials or workmanship (See chart for warranty period) from the date of purchase by the original owner.

This warranty excludes normal maintenance and shall not apply to any opened, misused, abused, altered or damaged items.

If the product should become defective within the warranty period, OK International will repair or replace it free of charge at its sole option.

The repaired or replacement item(s) will be shipped, freight prepaid, to the original purchaser. The warranty period will start from the date of purchase.

If the date of purchase cannot be substantiated, the date of manufacture will be used as the start of the warranty period.
